CAPO 2do TRASTE!!!

Intro

G

Yeah

Em

C

Lilac short skirt, the one that fits me like skin

G

Did your research, you knew the price going in

Em

And I'll tell you one thing, honey

C

I can tell when somebody still wants me, come clean

G

Standing at the bar like something's funny, bubbly

Once you fix your face, I'm going in (Yeah)

G

Whether I'm gonna be your wife, or

C

Gonna smash up your bike, I haven't decided yet

G

But I'm gonna get you back

Whether I'm gonna curse you out, or

Take you back to my house, I haven't decid?d yet

Em

But I'm gonna get you back

C

I-I hear th? whispers in your eyes

G

Oh, make you wanna think twice

D

You'll find that you were never not mine

(You're mine)

Em

C

Small talk, big walk, act like I don't care what you did

G

I'm an Aston Martin that you steered straight into the ditch

Then ran and hid

Em

And I'll tell you one thing, honey

C

I can take the upper hand and touch your body

G

Flip the script and leave you like a dumb house party

Or I might just love you 'til the end (Ah-ah-ah)

G

Whether I'm gonna be your wife, or

C

Gonna smash up your bike, I haven't decided yet

G

But I'm gonna get you back

Whether I'm gonna flip you off, or

Pull you into the closet, I haven't decided yet

Em

But I'm gonna get you back

C

I-I hear th? whispers in your eyes

G

Oh, make you wanna think twice

D

You'll find that you were never not mine
(You're mine)

Em

I can feel it coming, honey, in the way you move

C

Push the reset button, we're becoming something new

G

Say you got somebody else, say, "I got someone too"

Even if it's handcuffed, I'm leaving here with you

Em

Bygones will be bygone, eras fading into grey (Fading into grey)

C

Rebuild all the pieces, but still wanna play the game (Oh)

G

Told my friends I hate you, but I love you just the same

D

Pick your poison, babe, I'm poison either way (Ha)
