

**Mean**  
**Taylor Swift**

**Bm**                    **A**                    **G**  
You, with your words like knives and swords  
**G**  
And weapons that you use against me  
**Bm**                    **A**                    **G**  
You, have knocked me off my feet again  
**G**  
Got me feelin like a nothin  
**Bm**                    **A**                    **G**  
You, with your voice like nails on a chalk board  
**G**  
Callin me out when I m wounded

You, pickin on the weaker man

**A**

**D**                    **G**                    **A**

**Bm**                    **A**  
You, with your swithching sides and  
          **G**  
Your wild fire lies and your humiliation  
**Bm**                    **A**                    **G**  
You, have pointed out my flaws again

As if I don t already see them  
**Bm**                    **A**  
I walk with my head down  
          **G**  
Tryin to block you out

Cause I never impress you
