

**Mirrorball**  
**Taylor Swift**

D Gmaj7  
I want you to know  
Bm  
I m a mirrorball  
Gmaj7 D  
I ll show you every version of yourself tonight  
Gmaj7  
I ll get you out on the floor  
Bm  
Shimmering beautiful  
Gmaj7 D  
And when I break, it s in a million pieces

[Chorus]

D G  
Hush, when no one is around, my dear  
Bm  
You ll find me on my tallest tip-toes  
G  
Spinning in my highest heels, love  
D  
Shining just for you  
D G  
Hush, I know they said the end is near  
Bm  
But I m still on my tallest tip-toes  
G  
Spinning in my highest heels, love  
D  
Shining just for you

[Verse 2]

D G  
I want you to know  
Bm  
I m a mirrorball  
G  
I can change everything about me to fit in  
D G  
You are not like the regulars  
Bm  
The masquerade revelers  
G D  
Drunk as they watch my shattered edges glisten

[Chorus]
