Some to throw, some to make a diamond ring
 You know I didn t want to have to haunt you
 But what a ghostly scene
                                        Εm
 You wear the same jewels that I gave you as you bury me
[Chorus]
C Dm
                Am
      I didn t have it in myself to go with grace
                                      С
               Am
                                 F
Cause when I d fight, you used to tell me I was brave
        &nbsnbsp; Am
And if I m dead to you, why are you at the wake
Cursing my name, wishing I stayed
           F
Look at how my tears ricochet
[Bridge]
            Dm
 And I can go anywhere I want
Anywhere I want, just not home
               Dm
And you can aim for my heart, go for blood
But you would still miss me in your bones
         Dm Am F
And I still talk to you (When I m screaming at the sky)
                Dm
                               Am
And when you can t sleep at night (You hear my stolen lullabies)
[Final Chorus]
                   F
                                   C Dm
I didn t have it in myself to go with grace
And so the battleships will sink beneath the waves
You had to kill me, but it killed you just the same
Cursing my name, wishing I stayed
You turned into your worst fears
                         Dm
 And you re tossing out blame, drunk on this pain,
