Never Mind " Taylor Swift

Capo on 4

**G Am Em Am Em Am G D**

**D G**  
Look at you  
**Em**  
Look at me  
**C**  
Look at who  
**G D**  
We could be  
**G**  
I wanna know  
**Em**  
Who you are  
**C**  
What you want  
**G D**  
From the stars

**Em C**  
And every time I look at you I can hardly say a thing  
**G**  
My head starts to spin and it hits me then  
**D**  
I love you

**Em C**  
And every time you look at me I could go crazy but I don't say it but I  
**G**  
won't cause I rather be alone

**D**  
Then lose you

**C D G Em**  
And all I really want to do is be next to you but I'm too tired to fight  
**C D**  
And I could tell you now but baby never mind

**G Am Em Am Em Am G D**

**D G**  
All the time

**Em**

Every day

**C** **G** **D**  
There's nothing I could do baby to make it go away

**G**  
So look at you

**Em**  
And look at me

**C** **G** **D**  
I think of who we could be

**Em** **C**  
But every time I look at you I can hardly say a thing

**G**  
My head starts to spin and it hits me again

**D**  
I love you

**Em** **C**  
And every time you look at me I could go crazy but I don't say it but I

**G**  
won't cause I rather be alone

**D**  
Then lose you

**C** **D** **G** **Em**  
And all I really want to do is be next to you but I'm too tired to fight

**C** **D**  
And I could tell you now but baby never mind

**G Am Em Am Em Am G D**

**C** **D** **G** **Em**  
All I really want to say is I need you baby I'm happy don't you understand

**C** **D**  
What happens if you turn away

**G** **Em**  
And everything turns blue and gray

**C** **D** **G** **Em**  
And I just wish I'd told you never mind

**C** **D**  
And I could tell you now but baby never mind

**G**  
Yeah

**Em C**  
Oh yeah

**G** **D** **G**  
I can tell you now but never mind

**G**  
Yeah

**Em C**  
Oh yeah

**G** **D** **G**

And I can tell you now but never mind
