Never Mind " Taylor Swift

Capo on 4

G Am Em Am Em Am G D

D G
Look at you
Em
Look at me
C
Look at who
G D
We could be
G
I wanna know
Em
Who you are
C
What you want
G D
From the stars

Em C
And every time I look at you I can hardly say a thing
G
My head starts to spin and it hits me then
D
I love you

Em C
And every time you look at me I could go crazy but I don't say it but I
G
won't cause I rather be alone
D
Then lose you

C D G Em
And all I really want to do is be next to you but I'm too tired to fight
C D
And I could tell you now but baby never mind

G Am Em Am Em Am G D

D G
All the time

Em

Every day

C **G** **D**
There's nothing I could do baby to make it go away

G
So look at you

Em
And look at me

C **G** **D**
I think of who we could be

Em **C**
But every time I look at you I can hardly say a thing

G
My head starts to spin and it hits me again

D
I love you

Em **C**
And every time you look at me I could go crazy but I don't say it but I

G
won't cause I rather be alone

D
Then lose you

C **D** **G** **Em**
And all I really want to do is be next to you but I'm too tired to fight

C **D**
And I could tell you now but baby never mind

G Am Em Am Em Am G D

C **D** **G** **Em**
All I really want to say is I need you baby I'm happy don't you understand

C **D**
What happens if you turn away

G **Em**
And everything turns blue and gray

C **D** **G** **Em**
And I just wish I'd told you never mind

C **D**
And I could tell you now but baby never mind

G
Yeah

Em C
Oh yeah

G **D** **G**
I can tell you now but never mind

G
Yeah

Em C
Oh yeah

G **D** **G**

And I can tell you now but never mind
