

**Peter**  
**Taylor Swift**

Intro

**C Em Am G**

**F G**

**C**

Forgive me, Peter

**Em**

My lost fearless leader

**Am**

In closets like cedar

**G**

**F**

Preserved from when we were just kids

**G**

Is it something I did?

**C**

The goddess of timing

**Em**

Once found us beguiling

**Am**

She said she was trying

**G**

Peter, was she lying?

**F**

**G**

My ribs get the feeling she did

**Am**

**G**

**F**

And I didn't wanna come down

**Am**

**G**

**F**

I thought it was just goodbye for now

**Dm**

You said you were gonna grow up

**F**

Then you were gonna come find me

**Am**

Said you were gonna grow up

**G**

Then you were gonna come find me?

**Dm**

Said you were gonna grow up

**F**

Then you were gonna come find me

**Am**

Words from the mouths of babes

**G**

**F**

**Dm**

Promises oceans deep

**C** **Em Am G**  
But never to keep

**F G**  
Oh, never to keep

**C**  
Are you still a mind reader?

**Em**  
A natural scene stealer?

**Am**  
I've heard great things, Peter

**G F**  
But life was always easier on you

**G**  
Than it was on me

**C**  
And sometimes it gets me

**Em**  
When crossing your jet stream

**Am G**  
We both did the best we could do

**F**  
Underneath the same moon

**G**  
In different galaxies

**Am G F**  
And I didn't wanna hang around

**Am G F**  
We said it was just goodbye for now

**Dm**  
You said you were gonna grow up

**F**  
Then you were gonna come find me

**Am**  
Said you were gonna grow up

**G**  
Then you were gonna come find me?

**Dm**  
Said you were gonna grow up

**F**  
Then you were gonna come find me

**Am**  
Words from the mouths of babes

**G F Dm**  
Promises oceans deep

**C Em Am G**  
But never to keep

**F G**  
Never to keep

**C**

**Am**

And I won't confess that I waited, but I let the lamp burn

**F**

**G**

As the men masqueraded, I hoped you'd return

**C**

**Am**

With your feet on the ground, tell me all that you'd learned

**F**

**G**

'Cause love's never lost when perspective is earned

**C**

**Am**

And you said you'd come and get me, but you were twenty-five

**F**

**G**

And the shelf life of those fantasies has expired

**C**

**Am**

Lost to the "Lost Boys" chapter of your life

**F**

**G**

Forgive me, Peter, please know that I tried

**Am**

**G**

To hold on (Hold on) to the days (To the days)

**F**

When you were mine

**Am**

**G**

But the woman who sits by the window

**F**

**Dm**

Has turned out the light

**Dm**

You said you were gonna grow up

**F**

Then you were gonna come find me

**Am**

**G**

Said you were gonna grow up

**Dm**

You said you were gonna grow up

**F**

Then you were gonna come find me

**Am**

**G**

Said you were gonna grow up

**Dm**

You said you were gonna grow up

**F**

Then you were gonna come find me

**Am**

Said you were gonna grow up

**G**

Then you were gonna come find me

**Dm**

Said you were gonna grow up

**F**

Then you were gonna come find me

**Am**

Words from the mouths of babes

**G**

**F**

**Dm**

Promises oceans deep

**C**

But never to keep
