Tuning: Capo on 1st

Chords:

```
   Am   D Cadd9 Em7 G  D/F#
e|-0---2---3---3---3---3-|
B|-1---3---3---3---3---3-|
G|-2---2---0---0---0---2-|
D|-2---0---2---2---0---0-|
A|-0---x---3---2---2---0-|
E|-x---x---x---0---3---2-|
```

I m 99% sure about all of this, except the end.
There s more than one guitar playing and they re hard to tell apart,
but I think I got it pretty close.

Am D x2

```
            Cadd9       D           Em7    D/F#
```
If there s a plane or a bus leaving dallas
```
            Cadd9 D Em7 D/F#
```
I hope you re on it
```
             Cad99         D             Em7    D/F#
```
If there s a train moving fast down the tracks
```
          Cadd9     D Em7 D/F#
```
I hope you caught it

```
          Cadd9       D         Em7       D/F#     Cadd9 D Em7 D/F#
```
 Cause I swear out there ain t where you ought to be
```
            Cadd9           D
```
So catch a ride, catch a cab
```
         Em7              D/F#
```
Don t you know I miss you bad
```
            Cadd9      D Em7 D/F#
```
But don t you walk to me

```
     Em7 Cadd9  D             G         D/F#
```
 Baby run, cut a path across the blue skies
```
Em7            Cadd9
```
 Straight in a straight line
```
           G             D
```

```
                            You can t get here fast enough
            Em7                     Cadd9
 Find a truck and fire it up
                   D                 G
 Lean on the gas and off the clutch
        D/F#     Em7
 Leave dallas in the dust
D           Cadd9
 I need you in a rush
D        Am   D         Am   D
 So baby run, so baby run

    Cadd9              D
If you ain t got a suit case
       Em7        D/F#          Cadd9 D Em7 D/F#
Get a box or an old brown paper sack
               Cadd9              D
And pack it light or pack it heavy
        Em7              D/F#
Take a truck, take a chevy
      Cadd9           D Em7 D/F#
Baby just come back

          Cadd9              D                 Em7 D/F#
There s a shortcut to the highway out of town
                Cadd9   D Em7 D/F#
Why dont you take it
                 Cadd9         D         Em7 D/F#
Don t let that speed limit slow you down
          Cadd9    D       C        D
Go on and break it, baby break it

    Em7 Cadd9  D                 G           D/F#
 And run, cut a path across the blue skies
Em7            Cadd9
 Straight in a straight line
           G                 D
 You can t get here fast enough
        Em7                     Cadd9
 Find a truck and fire it up
                D                 G
 Lean on the gas and off the clutch
        D/F#     Em7
 Leave dallas in the dust
D           Cadd9
 I need you in a rush
D        Cadd9 D Em7        D/F#
 So baby run,     run to me
      Cadd9 D Em7 D/F#
Baby run         run to me
Am  D        Am  D
    So baby run
Am  C       Am     C
```

Oh baby run
