

Smokey Black Nights
Taylor Swift

The only thing im not sure about is the Em but other than that it sounds good to me

Capo 2

G **D**
Let s watch the tide chase the waves onto the sand
Am **C**
I wonder if a broken heart feel the warmth on my hand
G **D**
And I wonder what a piece of driftwood has seen all through his lifetime
Am **Em**
Let s walk away the past through the smokey black nights

Am
I ve seen a million things
D
spoke a million words
Em **C** **D**
now i only want to speak to you

Am
Waiting for the words
D
counting every bird
Em **C** **D**
there s nothing i d rather do
pause **G**
on the smokey black nights

G
G **D**
Still throught the haze I can make out constellations
Am **C**
I ll make one of you and me as we sit in the sand
G **D**
And I saw that sunset gleamin as my eyes went wild
Am **Em**
Let s walk away the past through the smokey black nights

Am
I ve played a thousand songs
D
sang a thousand words
Em **C** **D**
now i only want to sing to you

Am

Waited on a wire

D

starin at the fire

Em

C

D

there s nothing i d rather do

G

on the smokey black nights

Am

I ve walked a thousand miles

D

smiled a thousand smiles

Em

C

D

Now I only smile when I m with you

Am

Waiting for the words

D

counting every bird

Em

C

D

there s nothing i d rather do

G

on the smokey black nights

G

So walk with me

D

As the sweet wind dances

Am

I ll write a song for you and me

G

On the smokey black nights
