One night, a few moons ago

D

A

I saw flecks of what could ve been lights

E

But it might just have been you

Passing by, unbeknownst to me

F#m

Life is emotionally abusive

D

And time can t stop me quite like you did

A

And my flight was awful, thanks for asking

E

I m unglued, thanks to you

F#m

And it s like snow at the beach

Weird but fuckin beautiful

D

Flying in a dream

Stars by the pocketful

A

You wanting me tonight, feels impossible

E

But it s comin down, no sound, it s all around

F#m

Like snow on the beach

D

Like snow on the beach

C#m

Like snow on the beach

E

Like snow, uh-huh, uh-huh, ah

F#m

D

This scene feels like what I once saw on a screen

A

I searched aurora borealis green

A

E

I ve never seen someone lit from within

Blurring out my periphery

F#m

My smile is like I won a contest

D

And to hide that would be so dishonest

A

D

A

And it s fine to fake it till you make it

E N.C.

Till you do, till it s true

F#m

Now it s like snow at the beach

Weird, but fuckin beautiful

D

Flying in a dream

Stars by the pocketful

C#m

You wanting me tonight, feels impossible

E

But it s comin down, no sound, it s all around

I don t even dare to wish it

But your eyes are flying saucers from another planet

E

Now I m all for you like Janet
