

Superstar
Taylor Swift

Based off tmasia s version.

Very basic version and easy to play.

Dm is sometimes switched with Am (I think)
but if you play Dm or Am the whole song, it sound fine.

I uses my capo on the 2nd fret
but you can ajust it to where you like.

CAPO 2

Intro:

C G Dm F (x2)

Verse 1:

C G
This is wrong but
Dm F
I can t help but feel like
C G Am F
There ain t nothing more out there
C G Dm F
Misty morning, comes again and I can t
C G Am F
Help but wish I could see your face

Pre-Chorus:

C G
And I knew from the first note played
Dm F C G Am F
I d be breaking all my rules to see you
C G
You smile that beautiful smile
Dm F C G Am F
And all the girls in the front row scream your name

Chorus:

Am F

So dim that spotlight, tell me things like

G C G Dm

I can't take my eyes off of you

F G

I'm no one special, just another wide-eyed girl

C G Dm

Who's desperately in love with you

F G

Give me a photograph to hang on my wall

(G) C G Dm F (x2)

Superstar

Verse 2:

C G

Good morning loneliness

Dm F C G Am F

Comes around when I'm not dreaming about you

C G Dm F C G Am F

When my world wakes up today you'll be in another town

Pre-Chorus:

C G

And I knew when I saw your face, I'd be

Dm F C G Am F

Counting down the ways to see you

C G

You smile that beautiful smile

Dm F C G Dm F

And all the girls in the front row scream your name

Chorus:

Am F

So dim that spotlight, tell me things like

G C G Dm

I can't take my eyes off of you

F G

I'm no one special, just another wide-eyed girl

C G Dm

Who's desperately in love with you

F G

Give me a photograph to hang on my wall
