

Taylor Medley
Taylor Swift

[Verse]

G **Em7**
He said the way my blue eyes shined
Cadd9
Put those Georgia stars to shame that night
Dsus4 D
I said, thatâ€™s a lie
G **Em7**
Just a boy in a Chevy truck that had a tendency
Cadd9 **Dsus4 D**
Of getting stuck on back roads at night
Dsus2 Cadd9 **Dsus4** **D Dsus2**
And I was right there beside him all summer long
Cadd9 **Em7** **Cadd9 D**
And then the time we woke up to find that summer gone, but
Am **F**
The story started when it was hot and it was Summer
C **G**
And, I had it all; I had him right there where I wanted him
Am **F**
She came along, got him alone, and let s hear the applause
C* **G***
She took him faster than you can say sabotage
Am **F**
I never saw it coming, wouldn t have suspected it
C **G**
I underestimated just who I was dealing with
Am **F**
She had to know the pain was beating on me like a drum
C* **G***
She underestimated just who she was stealing from

[Chorus]

G **Em7** **Cadd9**
Seems like there s always someone who disapproves
G **Em7** **Cadd9**
They ll judge it like they know about me and you
G **Em7** **Cadd9**
And the verdict comes from those with nothing else to do
G D/F# **Cadd9**
The jury s out, but my choice is you

[Verse]

G **Cadd9** **D**
Cause I can t help it if you look like an angel
G **Cadd9** **(D)**
Can t help it if I wanna kiss you in the rain so

Em7 **D**
 Come feel this magic I ve been feeling since I met you
G **Cadd9**
 Can t help it if there s no one else
D
 Mm I can t help myself
G **Em7** **Cadd9**
 You never know what people have up their sleeves
G **Em7** **Cadd9**
 Ghosts from your past gonna jump out at me
G **Em7** **Cadd9**
 Lurking in the shadows with their lip gloss smiles
G **D/F#** **Cadd9**
 But I don t care, cause right now you re mine

[Chorus]
G **Em7** **Cadd9**
 Seems like there s always someone who disapproves
G **Em7** **Cadd9**
 They ll judge it like they know about me and you
G **Em7** **Cadd9**
 And the verdict comes from those with nothing else to do
G **D/F#** **Cadd9**
 The jury s out, but my choice is you

[Verse]
D
 The other half I m only trying to
Am **C** **G** **C** **D**
 Let you know that what I feel is true
C **D**
 And I m only me
Am **C**
 Who I wanna be
C **Em** **D** **G** **D** **Am** **C**
 Well I m only me when I m with you
G **D** **Am** **C** **G**
 With you, oh ho ho yeah
