

The prophecy  
Taylor Swift

**Cm Gm Eb Bb/D**

**Cm**

Hand on the throttle

**Gm**

Thought I caught lightning in a bottle

**Eb Bb/D**

Oh, but it's gone again

**Cm**

And it was written

**Gm**

I got cursed like Eve got bitten

**Eb Bb/D**

Oh, was it punishment

**Cm**

Pad around when I get home

**Gm**

I guess a lesser woman would've lost hope

**Eb**

A greater woman wouldn't beg

**Bb/D**

But I looked to the sky and said

**F Gm**

Please, I've been on my knees

**Eb**

Change the prophecy, don't want money

**Bb/D F**

Just someone who wants my company

**Gm**

Let it once be me

**Eb**

Who do I have to speak to

**Bb/D**

About if they can redo the prophecy?

**Cm**

Cards on th? table

**Gm**

Mine play out like fools in a fabl?

**Eb Bb/D**

Oh, it was sinking in

**Cm**

Slow is the quicksand

**Gm**

Poison blood from the wound of the pricked hand

**Eb** **Bb/D**

Oh, still I dream of him

**F** **Gm**

Please, I've been on my knees

**Eb**

Change the prophecy, don't want money

**Bb/D** **F**

Just someone who wants my company

**Gm**

Let it once be me

**Eb**

Who do I have to speak to

**Bb/D**

About if they can redo the prophecy?

**Eb**

And I sound like an infant

**Bb**

Feeling like the very last drops of an ink pen

**F**

A greater woman stays cool

**Eb**

But I howl like a wolf at the moon

And I look unstable

**Bb**

Gathered with a coven 'round a sorceress' table

**F**

A greater woman has faith

**Eb**

But even statues crumble if they're made to wait

**Bb**

**F**

I'm so afraid I sealed my fate

**Eb**

No sign of soulmates

**Eb**

**Bb**

I'm just a paperweight, in shades of greige

**F**

**Eb**

**Cm**

**Gm**

**Eb**

**Bb/D**

Spending my last coin so someone will tell me it'll be okay

**Cm Gm Eb Bb/D**

**F** **Gm**

Please, I've been on my knees

**Eb**

Change the prophecy, don't want money

**Bb/D** **F**

Just someone who wants my company

**Gm**

Let it once be me

**Eb**

Who do I have to speak to

**Bb/D**

**F**

About if they can redo the prophecy?

**Gm** **Eb**

Who do I have to speak to

**Bb/D** **F**

To change the prophecy?

**F**

Hand on the throttle

**Gm**

Thought I caught lightning in a bottle

**Eb** **Bb/D**

Oh, but it's gone again

**F**

Pad around when I get home

**Gm**

I guess a lesser woman would've lost hope

**Eb**

A greater woman wouldn't beg

**B/D** N.C.

But I looked to the sky and said (Please)
