

The smallest man who ever lived  
Taylor Swift

CAPO 3er TRASTE!!!!

G C D  
Was any of it true?  
G C D  
Gazing at me starry-eyed  
G C D  
In your Jehovah's Witness suit  
G C D  
Who the fuck was that guy?  
Em C D  
You tried to buy some pills  
Em C D  
From a friend of friends of mine  
Em C D  
They just ghosted you  
Em C D  
Now you know what it feels like

Em C D  
And I don't even want you back, I just want to know  
Em C D  
If rusting my sparkling summer was the goal  
Em C D  
And I don't miss what we had, but could someone give  
Em C D  
A message to the smallest man who ever lived?

G C D  
You hung me on your wall  
G C D  
Stabbed me with your push pins  
G C D  
In public, showed me off  
G C D  
Then sank in stoned oblivion  
Em C D  
'Cause once your queen had come  
Em C D  
You'd treat her lik? an also-ran  
Em C D  
You didn't measure up  
Em C D  
In any measur? of a man

**C** **G** **D**  
 And I don't even want you back, I just want to know  
**C** **G** **D**  
 If rusting my sparkling summer was the goal  
**C** **G** **D**  
 And I don't miss what we had, but could someone give  
**C** **G** **D**  
 A message to the smallest man who ever lived?

**G**  
 Were you sent by someone  
**Em**  
 Who wanted me dead?  
**D** **C**  
 Did you sleep with a gun underneath our bed?  
**G**  
 Were you writing a book?  
**Em**  
 Were you a sleeper cell spy?  
**D** **C**  
 In fifty years will all this be declassified?  
**G**  
 And you'll confess why you did it  
**Em**  
 And I'll say, "Good riddance"  
**D** **C**  
 'Cause it wasn't sexy once it wasn't forbidden  
**G**  
 I would've died for your sins  
**Em**  
 Instead I just died inside  
**D** **C**  
 And you deserve prison, but you won't get time  
**G** **Em**  
 You'll slide into inboxes and slip through the bars  
**D** **C**  
 You crashed my party and your rental car  
**G**  
 You said normal girls were "boring"  
**Em**  
 But you were gone by the morning  
**D** **C**  
 You kicked out the stage lights, but you're still performing  
**G**  
 And in plain sight you hid  
**Em**  
 But you are what you did  
**D** **C**  
 And I'll forget you, but I'll never forgive  
**G**  
 The smallest man who ever lived
