D **A** **G**
I used to think one day we d tell the story of us
D
How we met and the sparks flew instantly
A **G**
People would say, They re the lucky ones
D **A** **G**
I used to know my place was a spot next to you
D
Now I m searching the room for an empty seat
A **G**
Cause lately I don t even know what page you re on

A **Bm**
Oh, a simple complication
D **Asus4**
Miscommunications lead to fall out
G
So many things that I wish you knew
A
So many walls up I can t break through

D **Asus4** **Em7**
Now I m standing alone in a crowded room
G **D**
And we re not speaking
Asus4 **Em7**
And I m dying to know is it killing you
G
Like it s killing me?
Bm **A** **D**
I don t know what to say since a twist of fate

G
When it all broke down
D **A** **D** **G**
And the story of us looks a lot like a tragedy now- Next chapter

(**A Bm Dsus2 G**)

D **A**
How d we end up this way?
G
See me nervously pulling at my clothes
D
And trying to look busy

And you re doing your best to avoid me

I m starting to think one day I ll tell the story of us

How I was losing my mind when I saw you here

But you held your pride like you should have held me

Oh, we re scared to see the ending

Why are we pretending this is nothing?

I d tell you I miss you but I don t know how

I ve never heard silence quite this loud

Now I m standing alone in a crowded room

And we re not speaking

And I m dying to know is it killing you

Like it s killing me?

I don t know what to say since a twist of fate

When it all broke down

And the story of us looks a lot like a tragedy now
