

This Love
Taylor Swift

[Intro] **E B C#m A**

A

Clear blue water

E

High tide, came and brought you in

And I could go, on and on, on and on

A

E

And I will, scars grow darker, currents swept you out again

And you were just gone and gone, gone and gone

A

C#m

In silence screams, and wildest dreams I

A

Never dreamed of this

E

This love is good, this love is bad

B

This love is a life, back from the dead

C#m

Oh, these hands had to let go free

A

And this love came back to me

E

B

C#m

A

oh oh oh, oh oh oh, oh oh oh

A

E

Tossing, turning, struggle through the night for someone new

And I could go, on and on, on and on

A

E

Lantern burning, flickered in my mind only you

But you re still gone, gone, gone

A

C#m

Been losing grip, oh, sinking ships

A

You showed up, just in time

E

This love is good, this love is bad

B

This love is a life, back from the dead

C#m

Oh, these hands had to let go free

A **E**
And this love came back to me, oh oh oh

This love left me pulling into more

This love is glowing in the dark
