F Dm Bb C F

We are never ever ever getting back together

F

It was so nice throwing big parties

F

Jumping in the pool from the balcony

F

Everyone swimming in a champagne sea

F

And there are no rules when you show up here

F

Bass beat rattling the chandelier

F

Feeling so Gatsby for that whole year

Gm CNec

So why d you have to rain on my parade?

Gm

I m shaking my head

C

I m locking the gates

F Dm Bb C

This is why we can t have nice things, darling

F

Because you break them

Dm **Bb**
I had to take them away
C **F** **Dm** **Bb** **C**
This is why we can't have nice things, honey

F
Did you think I wouldn't hear
Dm **Bb**
All the things you said about me?
C
This is why we can't have nice things

F
It was so nice being friends again
F
There I was giving you a second chance
F
But then you stabbed my back
F
While shaking my hand

F
And therein lies the issue
F
Friends don't try to trick you
F
Get you on the phone and mind-twist you
F
And so I took an ax to a mended fence

Gm **C**
But I'm not the only friend you've lost lately
Gm
If only you weren't
C
So shady

F **Dm** **Bb** **C**
This is why we can't have nice things, darling
