

Your Anything
Taylor Swift

Intro: D, Dsus, A, Em7, D, A

I bet you lie awake at night, tryin to make up your sweet mind
Wonderin if you ll ever find just what you want
A home town number one, or a California loaded gun
But you know you only get one or thats what you thought
A
But this is what you ve got

(Chorus): I could be your favorite blue jeans with the holes in the knees
in the bottom of the top drawer
I could be your little beauty queen just a little out of reach
or the girl living next door
I ll be your angel giving up her wings
If thats what you need i d give everything to be
your anything, to be your anything

If you want hard to get, if you want
all you have to do is let me know
If you want a bumpy ride
or someone with a softer side
Either one ll be alright just let me know
A
Cause this is where it goes

(Chorus): I could be your favorite blue jeans with the holes in the knees

in the bottom of the top drawer
