

You're On Your Own Kid
Taylor Swift

D
Summer went away, still the yearning stays
F#m G
I play it cool with the best of them
D F#m
I wait patiently, he's gonna notice me
G Bm
It's okay, we're the best of friends
Bm/C#
Anyway
D
I hear it in your voice, you're smokin' with your boys
F#m G
I touch my phone as if it's your face
D
I didn't choose this town, I dream of getting out
F#m G Bm
There's just one who could make me stay
Bm/C#
All my days

G A D
From sprinkler splashes to fireplace ashes
Bm
I waited ages to see you there
G A D
I searched the party of better bodies
Bm
Just to learn that you never cared
G A
You're on your own, kid
D
You always have been

D
I see the great escape, so long Daisy Mae
F#m G
I picked the petals, he loves me not
D
Something different bloomed, writing in my room
F#m G Bm
I play my songs in the parking lot
Bm/C#
I run away

G **A** **D**
 From sprinkler splashes to fireplace ashes
Bm
 I called a taxi to take me there
G **A** **D**
 I searched the party of better bodies
Bm
 Just to learn that my dreams aren't rare
G **A**
 You're on your own, kid
G
 You always have been

G A D Bm G A D Bm G A
G **A** **D**
 From sprinkler splashes to fireplace ashes
Bm
 I gave my blood, sweat and tears for this
G **A** **D**
 I hosted parties and starved my body
Bm
 Like I'd be saved by a perfect kiss
G **A** **D**
 The jokes weren't funny, I took the money
Bm
 My friends from home don't know what to say
G **A** **D**
 I looked around in a blood-soaked gown
Bm
 And I saw something they can't take away
G **A**
 Cause there were pages turned
D
 With the bridges burned
Bm
 Everything you lose is a step you take
G **A**
 So make the friendship bracelets
D
 Take the moment and taste it
Bm
 You got no reason to be afraid
G **A**
 You're on your own, kid
G **A**
 Yeah, you can face this
G **A**
 You're on your own, kid
D
 You always have been
