These premonitions shine like stars that  
**F Em7**  
Fall to earth too fast  
**F C**  
I see the empty glass

**C Em7**  
Where do we belong  
**C Em7**  
Tell me major tom  
**C Em7**  
Because nothing s making sense  
**C Em7**  
I listen and lament

**F Em7**  
For golden years that pass like thunder  
**F Em7**  
And soldier on through time  
**F C**  
This empty glass is mine

**C Em7**  
Where do we belong  
**C Em7**  
Could you help us major tom  
**C Em7**  
Because nothing s making sense  
**C Em7**  
I listen and lament
