

**Weathervanes And Chemicals**

**Team Me**

**E** **A**  
As the mountain melts together with the sunrise  
**B** **A**  
You talk about the time  
**E** **A**  
when you turned yourself into a stranger  
**B** **A**  
And all the chemicals were dancing in your blood

**E** **A**  
When you dear suddenly felt seasick  
**B** **A**  
Because you thought all lies were revealed  
**E** **A**  
And the thing that I felt when you told me  
**B** **A**  
about that house with that singing weathervane

Ah... (**E A A B**)

**E** **A**  
Oh, determined heart please translate it!  
**B** **A**  
These cryptic messages hidden in between  
**E** **A**  
her moon and her sky and her oceans  
**B** **A**  
cause I don t seem to understand them anymore

**E** **A**  
Now the bachelor seems to wind up in the corner  
**B** **A**  
And his army of lovers they have left  
**E** **A**  
And the breakman is obviously sleeping  
**B** **A**  
cause his train is going faster than light

Ah... (**E A A B**)
