You walked in to the room, I just had to laugh

Bbm Fm Bbm G#

The face you wore was cool, You were a photograph

B F# B F#

When it s all too late, It s all too late

I did not have the time, I did not have the nerve

To ask you how you feel, Is this what you deserve

When it s all too late, It s all too late

Bbm Fm Bbm G#

Change You can change

And something on your mind , Became a point of view

I lost your honesty , You lost the life in you

When it s all too late , It s all too late

We walk and talk in time , I walk and talk in two

Where does the end of me, Become the start of you

When it s all too late, It s all too late

What has happened to, The friend that I once knew
