You walked in to the room, I just had to laugh

Bm F#m Bm A
The face you wore was cool, You were a photograph
C G C G

When it s all too late, It s all too late
I did not have the time, I did not have the nerve
To ask you how you feel, Is this what you deserve
When it s all too late, It s all too late

Bm F#m Bm A
Change You can change
And something on your mind , Became a point of view
I lost your honesty , You lost the life in you
When it s all too late , It s all too late
We walk and talk in time , I walk and talk in two
Where does the end of me, Become the start of you
When it s all too late, It s all too late

F# G F# G
What has happened to, The friend that I once knew
