Verso 1:

```

F7+                               Ab
  I Believe that when the hurting and the pain has gone
                               Gm7                               EbMaj7                               Gm
We will be strong, oh yes we will be strong

F7+                               Ab
  And I believe that if I m crying while I write these words
                               Gm7                               EbMaj7                               Gm
Is it absurd or am I being real?

F7+                               Ab
  I believe that if you knew just what these tears were for
                               Gm7                               EbMaj7
They would just pour like every drop of rain
                               Gm/C       Ab/D       AbMaj7       Ab
                               (Intro)
That s why I believe it is too late for anyone to believe

```

Verso 2:

I believe that if you thought for a moment, took your time  
 You would not resign yourself, resign yourself to your fate  
 And I believe that if it s written in the stars, that s fine  
 I can t deny that I m a Virgo too  
 I believe that if you re bristling while you hear this song  
 I could be wrong or have I hit a nerve?  
 That s why I believe it is too late for anyone to believe

Verso 3:

I believe that maybe somewhere in the darkness,  
 In the nighttime, in the storm,  
 In the casino  
 Casino Spanish eyes  
 I believe, no I can t believe that every time you hear a newborn scream  
 You just can t see the shaping of a life  
 The shaping of a life
