Completely in command

How can I be sure,

for all you say you keep me waiting

How can I be sure,

when all you do is see me through

I asked for more and more,

How can I be sure

I ve been here before,

there is no why, no need to try,

I thought you had it all,

I m calling you, I m calling you,

I ask for more and more,

How can I be sure?
