

Secret World
Tears for Fears

[Intro]: **Am7 Bm7 Cmaj7 Bm7 Am7 D Gmaj7**

(**Gmaj7 Cmaj7/G**)

This is a garden, this is a steeple
I hear the crowd before I ever see the people
Yours for the making, and for the taking
There is a power in the vacuum we are making

Am7 Bm7 Am7
You and I have a secret world
Am7 Bm7 Am7
And we can keep it unfurled
Am7 D Gmaj7
And pay no attention to the cradle or the grave

Cmaj7
And when we re crossed,
G
We can say that we re lost
Cmaj7 G
In the middle of nowhere think you ll like it a lot
Cmaj7 G
And if we re wrong and we end up alone
Em D Cmaj7
We ll light a candle for their innocent bones

Am7 Bm7 Am7
You and I have a secret world
Am7 Bm7 Am7
