

Swords And Knives
Tears for Fears

A waking world of innocence
Em7 Bb G Dm
So grave those first born cries
D# Csus2 D# Csus2
When life begins with needles and pins
Em7 Bb G Dm
It ends with swords and knives
Em7 Bb G Dm
Oh danger man, oh danger man
Em7 Bb G Dm
Your blade fits like a glove
D# Csus2
When forged in steel
D# Csus2
Time cannot heal
Em7 Bb G Dm
That blood red bond of love

D# Csus2
In times of trouble you re an open book
D# Csus2
With the change in the way you look
Em7 Bb G Dm
And it s sad love s not enough to make things better

(instrumental)

Turn the tables, we ll burn the fables
Lies beneath the visions and daydreams
Fooled by now, we mystify the past
Like a dream, like it never happened

When life begins with needles and pins
it ends with Swords and Knives
God save those born to die
