(Em Cmaj7)

Heaven comes to he who waits

But I know I m getting nowhere

Am

And all the deeds of yesterday

G B7

Have really helped to pave my way

(Em Cmaj7)

Though there s no one near me now

How come everyone can touch me?

Am

You see the torture on my brow

G B7

Relates to neither here nor now

(Em Cmaj7)

Watch me bleed

Bleed forever

Watch me bleed

Bleed forever

Am
Although my face is straight it lies
G B7
My body feels the pain and cries

(Em Cmaj7)
Here the table is not bare

I am full but feeling empty
Am
For all the warmth it feels so cold
G B7
Ooh I m so young I feel so old

(Em Cmaj7)
Watch me bleed

Bleed forever

Watch me bleed

Bleed forever
Am
It s not allowed to be unkind
G B7
But still the hate lives in my mind

Cm
I ll make no noise I ll hide my pain
A#
I ll close my eyes I won t complain
G#
I ll lie right back and take the blame
G
And try to tell myself I m living

Dm
And when it s all been said or done
Dm/C
Where do I go? Where do I run?
Bb
What s left of me or anyone
A7
When we ve denied the hurting?
(Em Cmaj7)
Oh oh oh oh oh

Pa pa pa pa pa pa pa pa

Dm
And when it s all been said or done
Dm/C
Where do I go, where do I run?

Bb

What s left of me or anyone

A7

When we ve denied the hurting ?

(Em Cmaj7)

Oh oh oh oh oh

(Em Cmaj7)

Watch me bleed

Bleed forever

Watch me bleed

Bleed forever

Am

And all the deeds of yesterday

G B7

Have really helped to pave my way
