Gone crazy, keeps woman in chains

```
Women In Chains
Tears for Fears
[Intro]
G Em C G
[Verse]
You better love loving and you better behave
You better love loving and you better behave
Woman in chains, woman in chains
Calls her man the Great White Hope
Says she s fine, she ll always cope
Woman in chains, woman in chains
        Em Em/C
Well I feel lying and waiting is a poor man s deal (a poor man s deal)
Well I feel hopelessly wighed down by your eyes of steel (your eyes of steel)
It s a world gone crazy, keeps woman in chains
Woman in chains, woman in chains
Trades her soul as skin and bone
Sells the only thing she owns
Woman in chains, woman in chains
                          Em C G
Men of stone, men of stone
        Em Em/C
Well I feel deep in your heart there are wounds time can t heal (time can t
heal)
                                     C
        Em Em/C
Well I feel somebody somewhere is trying to breathe, you know what I mean
It s a world gone crazy, keeps woman in chains
It s under my skin but out of my hands
I ll tear it apart but I won t understand
I will not accept the greatness of man
It s a world gone crazy, woman in chains
