When the bottle hits the floor	

I been down this road before  
 Don t wanna walk this way again  
 And I don t really want to trust the girl  
 Who said she was my friend  
 Your long legs lead up to heaven girl  
 I d love to die for you

Please or please just tell me one more lie  
And I ll pretend it s true

Chorus

Stare into my looking glass  
The label holds my eye  
Girl your picture tells a millions stories  
And it comes as no surprise  
All those words you spoke to me  
Lying there in bed  
Tell me was that your cheap trick  
To get inside my head
