

**F#m** **Bm**  
There s a longing in my heart  
**F#m** **Bm**  
For Stories left untold

**F#m**

**Bm**

As we remain years apart

G                      A                      into D of 3rd Verse.

I am growing old

The chorus and verse of this song really need two guitars and a bass but this is for solo guitar so that you can play the tune in your bedroom. This is one of those happy/sad songs that s fun to play for people or by yourself. Enjoy it.
