C#m: x46600
Asus2: x02200

Opening: **E, B, A, A**

E **B** **A** **A**

Wandering the streets, in a world underneath it all

C#m **B**

Nothing seems to be, nothing tastes as sweet

A **A**

As what I can t have

E **B**

Like you and the way that you re twisting your hair

A **A**

round your finger

C#m **B**

Tonight I m not afraid to tell you

F# **F#**

What I feel about you.

A **B**

I m gonna muster every ounce of confidence I have

E **B** **F#**

and cannon ball into the water

A **B**

I m gonna muster every ounce of confidence I have

E **F#** **A** **A**

For you I will

C#m **B** **Asus2** **Asus2**

For you I will

E

Forgive me if I st-stutter

B **A** **A**

From all of the clutter in my head

C#m **B**

Cuz I could fall asleep in those eyes

A **A**

Like a water bed

E **B** **A** **A**

Do I seem familiar, I ve crossed you in hallways a thousand times

C#m

no more camouflage

B

F#

F#

I want to be exposed, and not be afraid to fall.

A

B

I m gonna muster every ounce of confidence I have

E

B

F#

And cannon ball into the water

A

B

I m gonna muster every ounce of confidence I have

E F# A A

For you I will

A

B

You always want what you can t have

E B

F#

But I ve got to try

A

B

I m gonna muster every ounce of confidence I have

E F# A A

For you I will

C#m B Asus2 Asus2

For you I will

C#m B Asus2 Asus2

For you I will

A --->>>(in the acoustic version there is an A)

E B A B

E

B

If I could dim the lights in the mall

A B

And create a mood

E B A B

I would

E B A B

Shout out your name so it echoes in every room,

E B A B

Yeah

F# F# A A

That s what I d do,

F# F# A A

That s what I d do

F# F# A A

That s what I d do

C#m B

To get through to you, yeah

A

B

I m gonna muster every ounce of confidence I have

E **A** **B** **F#**

And cannon ball into the water

A

B

I m gonna muster every ounce of confidence I have

E F# A A

For you I will

A

B

You always want what you can t have

E B F#

But I ve got to try

A

B

I m gonna muster every ounce of confidence I have
