

Shake It Off
Teddy Geiger

A

When the sun goes down
And the stars go bright
We can light a fire
We can light up
Wherever we go
Wherever we go

We can disconnect from the world outside
And turn off our mind
Keep our eyes wide
Wherever we go
Wherever we go

D **F#m** **A** **E**
But when weâ€™re letting go turn on the radio ohh woah

D **F#m** **E**
What are we waiting for letâ€™s pack our bags and go ohh woah

D **F#m**
Leave our fears behind

A **E**
Come on waste sometime

D
Turn on the radio
F#m **E**
Get on your stereo woah ohh
Just just shake it off

A

D
We can dream tonight like the very first time

We can drive one night to the sunrise

A
Laying the sun
In the sun

D
When Iâ€™m dreaming alone in the rain outside
Or the scene from the lane that is passing by

A
Like a shore
Wherever we go

D **F#m** **A** **E**
But when weâ€™re letting go turn on the radio ohh woah

D **F#m** **E**

What are we waiting for let's pack our bags and go ohh woah

D

F#m

Leave our fears behind

A

Come on waste sometime

D

Turn on the radio

F#m

Get on your stereo woah ohh

Just just shake it off
