

**Shake It Off**  
**Teddy Geiger**

**Bb**

When the sun goes down  
And the stars go bright  
We can light a fire  
We can light up  
Wherever we go  
Wherever we go

We can disconnect from the world outside  
And turn off our mind  
Keep our eyes wide  
Wherever we go  
Wherever we go

**Eb** **Gm** **Bb** **F**  
But when weâ€™re letting go turn on the radio ohh woah  
**Eb** **Gm** **F**  
What are we waiting for letâ€™s pack our bags and go ohh woah  
**Eb** **Gm**  
Leave our fears behind  
**Bb** **F**  
Come on waste sometime  
**Eb**  
Turn on the radio  
**Gm** **F**  
Get on your stereo woah ohh  
Just just shake it off

**Bb**

**Eb**  
We can dream tonight like the very first time  
  
We can drive one night to the sunrise  
**Bb**  
Laying the sun  
In the sun  
**Eb**  
When Iâ€™m dreaming alone in the rain outside  
Or the scene from the lane that is passing by  
**Bb**  
Like a shore  
Wherever we go

**Eb** **Gm** **Bb** **F**  
But when weâ€™re letting go turn on the radio ohh woah  
**Eb** **Gm** **F**

What are we waiting for let's pack our bags and go ohh woah

**Eb**

**Gm**

Leave our fears behind

**Bb**

**F**

Come on waste sometime

**Eb**

Turn on the radio

**Gm**

**F**

Get on your stereo woah ohh

Just just shake it off
