

Sweeter Than The Truth
Teddy Geiger

whenever you see tabs..they are actually just chords but i can't remember the names of them...just play them with like normal chords to the rhythm of the song)

G **Em**
I broke down and let them save you
a C but without 3rd finger on the 3rd fret.....then a C
Oh, and the car pulled out the driveway
Wave goodbye, it's been so long

G **Em**
You took that medicine they gave you
(a C but without 3rd finger on the 3rd fret.....then a C)
Oh, are you feeling any better?
Cuz it's looking like you aren't

e		-3-----	-3-----	-3-----	-3-----	
B		-3-----	-3-----	-3-----	-3-----	
G		-----	-----	-2-----	-----	
D		-2-----	-----	-----	-----	
A		-----	-----	-----	-----	
E		-----	-----	-----	-----	

Since they took you away
I've been thinking and I've got a lot to say (play those 2 tabs with the same rhythm as other chords before that)

Chorus: these are chords but i can't remember

e		-3-----	-3-----	-3-----	-3-----	
B		-3-----	-3-----	-3-----	-3-----	
G		-----	-----	-2-----	-----	
D		-2-----	-2-----	-----	-----	
A		-2-----	-3-----	-2-----	-3-----	
E		-----	-----	-3-----	-----	

I brought a picture of us
Do you remember when we used to get together,
Hold hands, and say forever baby?

e		-3-----	-3-----	-3-----	-3-----	
B		-3-----	-3-----	-3-----	-3-----	
G		-----	-----	-2-----	-----	
D		-2-----	-2-----	-----	-----	
A		-2-----	-3-----	-----	-----	
E		-----	-----	-----	-----	

How could we get back to that place?

e		-3-----	-3-----	-3-----	-3-----	
B		-3-----	-3-----	-3-----	-3-----	
G		-----	-----	-2-----	-----	
D		-2-----	-2-----	-----	-----	

A|-2-----3-----2-----
E|-----3-----
I said I didnâ€™t but I, I really missed ya
All the things in my life
Every one of them reminds me of you
e|-3-----3-----3-----
B|-3-----3-----3-----
G|-----
D|-2-----2-----2-----2-----
A|-2-----3-----2-----3-----
E|-----

Well Iâ€™ll never get back
These memories and photographs

e|-3-----3-----
B|-3-----3-----
G|-2-----
D|-----2-----
A|-----2-----
E|-----

Maybe itâ€™s just better I remember these pictures
So much sweeter than the truth

repeat verse one

Without you angerâ€™s lost its flavor
Oh, no more yelling, no more fighting
So I leave the T.V. on
With no pay-per-view or cable
Sings as sweetly as my baby
Oh I miss it everyday
Since they took you away
Iâ€™ve been waiting just to hear you say my name

Chorus: played the same
I brought a picture of us
Do you remember when we used to get together,
Hold hands, and say forever baby?
How could we get back to that place?
I said I didnâ€™t but I, I really missed ya
All the things in my life
Every one of them reminds me of you
Weâ€™ll never get back
These memories and photographs
Maybe itâ€™s just better I remember these pictures
So much sweeter than the truth

(this bit played pretty much the same as the chorus....with the same chords but
you
use down strokes only)
So many nights, so many days away
And I thought life without you would be easy living

Chorus:

I brought a picture of us
Do you remember when we used to get together,
Hold hands, and say forever baby?
Well, how could we get back to that place?
I said I didnâ€™t but I, I really missed ya
All the things in my life
Every one of them reminds me of you
Well weâ€™ll never get back
These memories and photographs
Maybe itâ€™s just better I remember these pictures
So much sweeter than the truth
