capo II

**A**                    **D**                    **A**  
Got an easy place to be  
**A**                    **E**                    **A**  
In my arms, oh in my arms  
**A**                                    **D**                                    **A**  
Got a simple space to feel free  
**A**                    **E**                    **A**  
In my arms, yeah in my arms.

**E**  
Keep it on the recent, keep it on the now  
**E**  
Give me an easy way o-o-o-ut

**A**                                    **D**                                    **A**  
It s a lonely world that I got  
**A**                    **E**                    **A**  
In my arms, yeah in my arms.

**A**                                    **D**                                    **A**  
Not much to feel for me  
**A**                    **E**                    **A**  
In my arms, oh in my arms

**E**  
Keep it on the recent, keep it on the now  
**E**  
Give me an easy way o-o-o-ut

Give me an easy way o-o-o-ut

**A**                                    **D**                                    **A**  
Got an easy place to be  
**A**                    **E**                    **A**  
In my arms, oh in my arms  
**A**                                    **D**                                    **A**  
Got a lot of room to get lost  
**A**                    **E**                    **A**  
In my arms, yeah in my arms.

**A            E            A**

In my a-a-a-a-rms.
