IT'S SO HEAVY - Tedeschi Trucks Band (Made Up Mind, 2013)

G Bm7 C
oh, what have we done
G C Am
to this kingdom we proclaim to be the chosen one?
G Bm7 C
everything is chosen in each and every domain
G Am D
everything is frozen burning just the same

CHORUS:

G C D
oh, it s so heavy
G C D
oh, it s so heavy
G C D
oh, it s so heavy
Em Am D
I ve got to let a little, let a little go

G Bm7 C
oh, I thought we were past all the lies
G C Am
they would cover our eyes with darkened mirrors and
Am
paint our skin with coloured dyes
G Bm7 C
oh, I thought we were past the time
G Am D
when injustice was the leader and liberty the last

G C D
oh, it s so heavy
G C D
oh, it s so heavy
G C D
oh, it s so heavy
Em Am D
I ve got to let a little, let a little go
