C - x32010
G - 320003
Am - x02210
F - 133211

Intro: C--G-F- x2

Verse 1:

C
Remember when you slept
G **F**
so close to me at night
C
I felt you breathe you
G **F**
fit into my arms just right
G **Am** **F**
I never meant to hurt you
G
Cause I know that
Am **F**
you ve been hurt before

Chorus 1:

C **F**
It s hard when everything
Am **G**
around reminds me of you
C **F**
I still miss your eyes your
Am **G**
smile and all of your tattoos
Am **G**

And those nights we talked

C F

for hours on the phone

Am G

But now you re gone and I

C F

feel so all alone

C G F

here without you

C G F

here without you

Verse 2:

C

Remember when you

G

showed me all your

F

favorite tunes

C

And then we kissed the

G

softest kisses in

F G

your room I know you

Am

never meant to hurt

F G

me But you tore

Am F

my world in two

Chorus 2:

C F

It s hard when everything

Am G

around reminds me of you

C F

I still miss your eyes your

Am G

smile and all of your tattoos

Am G

And those nights we talked

C F

for hours on the phone

Am G

But now you re gone and I

C F

feel so all alone

C G F

here without you

C G F

here without you

C G F

here without you

C G F

here without you

C G F

here without you

C(hold)

here without you
