Accidental Life

A

Give in to me, now I want you

A

Know the past comes back to haunt you

Bm E

There are satellites in heaven

D A

Watching everything you do

A

This is a battle that you're losing

A

God was never more confusing

Bm E

Now you're looking for a way out

D A

Of your accidental life

Bm

And now your life (is on the line)

D

Is on the line (you can stay inside)

A

You can stay inside (But you're out of time)

E D A

You're out of time

A

You can reason in your condition

A

Now you see life as ambition

Bm E

Baby I know what you're missin

D

A

Please tell me what you're going through

A

All your problems are distractions

A

Waiting for the main attraction

Bm E

And you're looking for a way out

D A

Of your accidental life

Bm

And now your life (is on the line)

D

Is on the line (you can stay inside)

A

You can stay inside (But you're out of time)

E D A

You re out of time

Bm

And now your life (is on the line)

D

Is on the line (you can stay inside)

A

You can stay inside (But you're out of time)

E D A A

You re out of time
