Hey,  
did I say,  
I donâ€™t mind, if you want to go home,  
Take me there,  
no you donâ€™t,  
have to travel alone.  
Through the night,  
across the sea,  
going back in time here,  
for you now,  
were you waiting for me?

Hey,  
did I say,  
that I smiled,  
when I first heard your name  
Fell in love,  
and I still,  
feel the same way now  
Far,  
through the night,  
watch the land,  
fall away from you here,  
for you now  
Were you waiting for me?

Hey,  
did I say,  
I donâ€™t mind,  
if you want to go back  
To the lake,  
where you learned,  
how to swim with the sun  
Beating down,

on your back  
In the morning Iâ€™ll come,  
for you girl,  
are you waiting for me?

(instrumental)

Sun,  
beating down,  
on your back,  
In the morning Iâ€™ll come,  
For you girl,  
are you waiting for me?
