Dumb, Dumb, Dumb

A Asus4 A Asus4 A Asus4 A Asus4

A Asus4 A Asus4

It s been playing on my mind

F#m F#m* F#m F#m*

I don t want to waste your time

D D* D D* A Asus4 A Asus4

And the thought of you is tearing me apart

A Asus4 A Asus4

Had a name but now that s gone

F#m F#m* F#m F#m*

I don t know where I went wrong

D D* D D* A Asus4 A Asus4

Now I m all alone and drifting in the dark

A Asus4 A Asus4 A Asus4 A Asus4

A Asus4 A Asus4

Take me back to what I know

F#m F#m* F#m F#m*

Cause I don t know where to go

D D* D D* A Asus4 A Asus4

And I m finding it s so hard to stay in tune

A Asus4 A Asus4

But it s hard to comprehend

F#m F#m* F#m F#m*

Getting closer to the end

D D* D D* A Asus4 A Asus4

And I hope that I ll be feeling better soon

A Asus4 A Asus4

Now I m just a fading life

F#m F#m* F#m F#m*

But I want to feel alright

D D* D D* A Asus4 A Asus4

And I hope that you can help me through the days

A Asus4 A Asus4

And I find it hard to sleep

F#m F#m* F#m F#m*

Cause I sold myself so cheap

D D* D D* A Asus4 A Asus4

Do you think about me when I go away?

(Continue chord progression to fade)
