

**I Dont Want Control Of You**  
**Teenage Fanclub**

I Don t Want Control Of You

Capo 1st Fret

**F**                **Bb**            **Am**  
I dont want control of you  
**Dm**            **F**            **Bb**  
Doesn t matter to me  
         **F**                    **Bb**            **Am**  
The very heart and soul of you  
         **Dm**            **F**            **Bb**  
Are places I wanna see

**Am**                **Dm**                **F**            **Gm**        **C**    **Bb**  
Everyday I look in a different face  
**Am**                            **Dm**                **F**            **Gm**        **C**  
Feelings getting stronger with every embrace

**F**                **Bb**            **Am**  
I dont want a world of pain  
**Dm**                **F**            **Bb**  
Despair at every tear  
**F**                                    **Bb**            **Am**  
Don t want this love to stay the same  
**Dm**                **F**            **Bb**  
But grow with every year

**Am**                **Dm**                **F**            **Gm**        **C**    **Bb**  
Everyday I look in a different face  
**Am**                            **Dm**                **F**            **Gm**        **Bb**            **Am**  
Feelings getting stronger with every embrace

**Gm**                **Am**  
Tired of situations  
         **Dm**            **C**                **Bb**            **Am**            **Gm**  
That mean nothing to me (mean nothing to me)  
**Gm**                            **Dm**                **C**                **Gm**        **C**            **Bb**  
You ve been an inspirational figure for me

**F**    **Bb**    **Am**    **Dm**    **F**    **Bb**                    **F**    **Bb**    **Am**    **Dm**    **F**    **Bb**

**Am**                **Dm**                **F**            **Gm**        **C**    **Bb**  
Everyday I look in a different face

**Am**                      **Dm**                      **F**                      **Gm**      **C**  
Feelings getting stronger with every embrace

**F#**                      **B**                      **A#m**  
I dont want control of you

**D#m**              **C#**              **B**  
Doesn t matter to me

**F#**                                      **B**                      **A#m**  
don t want this love to stay the same

**D#m**                      **C#**      **B**  
But grow with every year

**A#m**                      **D#m**                      **F#**              **G#m**              **C#**      **B**  
Everyday I look in a different face

**A#m**                                      **D#m**                      **F#**              **G#m**              **C#**      **F#**  
Feelings getting stronger with every embrace
