Intro: **C#**--**Bbm**-- x2

Verse 1:
```
        C#
Are you happy you re
            Bbm
a shooting star
         C#
able to observe so
    Bbm               C#   Bbm C# Bbm
many wishes that we make
```

Verse 2:
```
        C#
Are you happy you re
            Bbm
a shooting star
              C#
able to give wonder to a
    Bbm             C#       Bbm C# Bbm
galaxy of eternal mystery
```

Chorus:
```
C#  Fm           C#
  Inside my mind
    G# Eb       C#
I m waiting for you
  Fm             F#
```

```
Inside my mind
      G#
I m searching and
    F#          Bbm
waiting for you

Verse 3:
                C#
And maybe i m lucky to
                  Bbm
have seen you tonight
                C#
Coz i needed something i
              Bbm
have always dreamed about
              C#
It doesn t matter
          Bbm
if i can go through
        C#
I just want my eye inside
      Bbm
this tunnel to heaven
C#          Fm   Eb
   And i wish

Interlude: Bbm--C#--Eb-- x2

(Repeat Chorus)

Verse 3:
        C#
Are you happy you re
              Bbm C# Bbm
a shooting star

Bridge:
C#
High and low
Bbm
find some snow
    C#
I need to
            Bbm
know from you
C#
Lying low i
Bbm
```

```
have to grow
  C#
I need to know
     Bbm
from you
          C# Bbm
Shooting star
          C# Bbm
Shooting star
          C# Bbm
Shooting star
          C# Bbm
Shooting star

Outro: C#--Bbm-- x4
```
