Call It Off
Tegan and Sara

[Verse 1]

```
C#          Bbm
I won t regret saying this
      C#                Bbm
This thing that I m saying
C#                    Bbm
Is it better than keeping my mouth shut
C#                  Bbm
That goes without saying
```

[Pre-Chorus]

```
G#     C#     G#/B  Bbm
Call, break it  off
G#    C#     G#/B     Bbm
Call, break my own heart
F#                  C#                      G#
Maybe I would have been something you d be good at
F#                  C#                      G#
Maybe you would have been something I d be good at
```

[Chorus]

```
F#                    G#
But now we ll never know
   C#                      Bbm
I won t be sad, but in case I go there
F#     G#     C#                 Bbm
Everyday, to make myself feel bad
                            F#          G#
There s a chance that I ll start to wonder
                          C#
if this was the thing to do
```

[Verse 2]

```
C#          Bbm
I won t be out long
         C#                 Bbm
But I still think it better if
C#              Bbm
You take your time coming over here
C#                Bbm
```

I think that s for the best

[Pre-Chorus]

G#   C#   G#/B Bbm
Call, break it off
G#   C#   G#/B   Bbm
Call, break my own heart
F#   C#   G#
Maybe I would have been something you d be good at
F#   C#   G#
Maybe you would have been something I d be good at

[Chorus]

F#   G#
But now we ll never know
  C#   Bbm
I won t be sad, but in case I go there
F#   G#   C#   Bbm
Everyday, to make myself feel bad
                           F#   G#
There s a chance that I ll start to wonder
                          Bbm
if this was the thing to do
     F#   G#   C#
I ll start to wonder if this was the thing to do
