Go downtown to catch the early movie.  
The shows are cheaper there  
And they don't mind if you put your feet up.  
She's out on the highway.  
She's got a homemade sign it says.  
Go ahead try to figure out what my future looks like.

I don't want to live my life like a story.  
Always thinking I could've been something.  
Don't run along side and control me.  
Just film away and let me be.

At ease I, I feel fine.  
I'll move on, I'll go on.

There's something so divided.  
Don't worry about me I'll be fine.  
Don't live your life for me or for anyone.  
You live your life as if you're one.  
You live your life as if you're one.  
Quiet. It's awful quiet.

How can you be mad?  
We've just got started.  
I want to shave my head and lie in bed all day long.

How can you be mad?  
We've just got started.  
You live your as if you're one.  
You live your as if you're one.

At ease I, I feel fine.

I ll move on, I ll go on.

Don t live your life like a movie.  
Always thinking you could ve been something.  
Don t live your life for me or for anyone.  
You live your life as if you re one.  
You live your life as if you re one.  
Quiet. It s awful quiet. So quiet.
