

How Come You Dont Want Me
Tegan and Sara

Tabbed by empflyer (empflyer.tumblr.com)

Uploaded a vid of this at <http://youtu.be/iNplg291MpQ> for timing. Not 100% sure about the words. Love this song off Heartthrob, wanted to be able to play it- this sounds fairly close.

Capo 2 (for same key as album version)

G **C**
I can t say that I m sorry,
Getting so ahead of myself.
G **C**
I can t say that I m sorry
Em
For loving you and hating myself.
C
I have nothing to show you,
Em **D**
I have nothing to hold you down.
G
It s killing me to walk away.

(Chorus)
How come you don t want me now?
C
Why don t you wanna wake this up?
Em **D**
How come you always leave me, or never take my call, hear me out.
G
Why don t you wanna win me now?
C
Why don t you wanna show me off?
Em **D**
Tell me why you re gonna try, gonna try and leave me here.

(Verse)
G **C**
I see you by my house, walking with a different girl,
G **C** **Em**
I see you by my house, talking with a different girl.
C **Em** **D**
She s got nothing to show you, she s got nothing to hold you down.
G
You re killing me, walk away.

(Chorus)

G

How come you don't want me now?

C

Why don't you wanna wake this up?

Em

D

How come you always leave me, or never take my call, hear me out.

G

Why don't you wanna win me now?

C

Why don't you wanna show me off?

Em

D

Tell me why you're gonna try, gonna try and leave me here.

(Bridge)

C **D**

One day, soon

C **D**

I won't be the one who waits on you.

C **D**

Some day soon

C **D**

I won't be the one who waits on you.

G

C

How come you don't want me now?

Em

How come you always leave me,

D

or never take my call, hear me out.

G

C

Why don't you wanna win me now?

Em

D

Tell me why you're gonna try, gonna try and leave me here.

G

How come you don't want me now?

C

Why don't you wanna wake this up?

Em

D

How come you always leave me, or never take my call, hear me out.

G

Why don't you wanna win me now?

C

Why don't you wanna show me off?

Em

D

Tell me why you're gonna try, gonna try and leave me here.
