

I Couldnt Be Your Friend  
Tegan and Sara

F C Dm A#

F

Does your heart ache

C

When you get around me?

Dm

Does your heart break

A#

When you think about me?

F

Now you wanna say I was a liar

C

Led you astray, I won t deny it

Dm

I did what they

A#

Thought would be good for me

F

Now you wanna cry, call me a cheater

C

Left you to die, though I did neither

Dm

Thought that it would

A#

That it would be best for me

A#

F

Do you cry?

C

C

Oh, do your worst

A#

F

Do you topple?

C

C

Do your worst

A#

F

C

I couldn t be your friend

C

A#

Even if I tried again

F

C

C

I couldn't be your friend

**A#**

Try to conceive it

**F**

I won't believe it

**C**

**C**

Even if I tried again

**A# F**

**C**

**C**

I couldn't be your friend

**F**

Does your body shake

**C**

When you get around me?

**Dm**

Does your body wake

**A#**

When you think about me?

**F**

Now you wanna say I was a criminal

**C**

Stole you away, that sounds so fictional

**Dm**

I did what they

**A#**

Thought would be good for me

**A#**
