

**I Know I Know I Know**  
**Tegan and Sara**

Capo 3rd fret

**C**

From hundreds of miles you cry like a baby

You plead with me, shout, scream, tell me I m staying

**Am**

**G**

I know I know I know, I m still your love

**C**

Back from the last place that I wanted to fake you

Laugh with me, shout, scream now tell me you re staying

**Am**

**G**

I know I know I know, you re still my love

**F**

The same as I love you, you ll always love me too

**G**

This love isn t good unless it s me and you

**C**

Box after box and you re still by my side

The weather is changing and breaking my stride

**Am**

**G**

I know I know I know, it s just this day

**C**

House after house, just like car after car

You see club after club and it all seems so far

**Am**

**G**

I know I know I know what else are we here for

**F**

The same as I love you, you ll always love me too

**G**

This love isn t good unless it s me and you

**C**

Stick your hands inside of my pockets

**Am**

Keep them warm while I m still here

**F**

**G**

Tell them this love hasn t changed me, hasn t changed me at all

**C**

Last night I was writing about you

I know my screaming and shouting won't keep you

**Am**

**G**

I know I know I know, you're still my love

**C**

I wake up to the sound of you working

You're one room right over, stressing and loving me

**Am**

**G**

I know I know I know, be still my love

**F**

The same as I love you, you'll always love me too

**G**

This love isn't good unless it's me and you

**C**

Stick your hands inside of my pockets

**Am**

Keep them warm while I'm still here

**F**

**G**

Tell them this love hasn't changed me, hasn't changed me at all

**C**

Stick your heart inside of my chest

**Am**

Keep it warm here while we rest

**F**

**G**

Tell them this love hasn't changed me, hasn't changed me at all

**F**

The same as I love you, you'll always love me too

**G**

This love isn't good unless it's me and you

**F**
