

**Intervention**

**Tegan and Sara**

**C**

It s not your birthday  
But all your friends and family are here  
What s the occasion?

Cause the motive seem unclear

**F C G**  
Some are happy, some are shedding lots of tears

**F C**  
They re saying now

**G**  
What they should have said for years

**F**  
We re doing this cause

**C G**  
We re concerned about your health

**F C G**  
We re doing this to, save you from yourself

**F Ab**  
Welcome, to your intervention

**F C G**  
We need some of your attention

**F Ab**  
You ve got a problem we must mention

**F C G**  
We re not gonna put you in detention

**F**  
But we think you need, think you need

**G F**  
An intervention

**C**  
We know all the paramedics on a first name basis  
Don t you see how bloated  
Your pretty face is

**F C**  
Time forgives, time erases

**G**  
Time will catch what the dragon chases

**F C**  
We will (?)mend(?) what we lost to the (?)meth(?)

**G**  
And we re sick of loving you to death

**F Ab**  
Welcome, to your intervention

**F** **Ab**  
Welcome, to your intervention (oh, oh)

**F** **C** **G**  
We need some of your attention

**F** **Ab**  
You ve got a problem we must mention (oh, oh)

**F** **C** **G**  
We re not gonna put you in detention

**F**  
But we think you need, think you need

**G** **C**  
An intervention

**F** **Ab**  
Welcome, to your intervention (oh, oh)

**F** **C** **G**  
We need some of your attention

**F** **Ab**  
You ve got a problem we must mention (oh, oh)

**F** **C** **G**  
We re not gonna put you in detention

**F**  
But we think you need, think you need

**G** **F**  
An intervention
