INTRO

**Esus2/ E5**

**Em**

Play E5 a couple times and then play the Em a couple times. Play around with this part a bit until you get to the point where it sounds good. And when playing the verses, if you want, you can switch around with Em and E5 a little so that there s that high-low sound to

VERSE 1

( **Em** )

My windows look into your living room

**Cmaj7**

Where I spend the afternoon on top of you

**Em**

I wonder what it is

**Cmaj7**

That I did to make you move in

Across away from me

**Em**

I hope I never figure out

Who broke your heart

**Cmaj7**

And if I do, if I do

CHORUS

**G**

I d spend all night losing sleep

**C**

I d spend the night and I d lose my mind  
Well I d spend the night and I d lose my mind

**Esus2/ E5**

**Em**

VERSE 2

(**Em**)

My windows look into your bathroom

**Cmaj7**

Where I spend the evening watching

You get yourself clean

**Em**

And I wonder why it is

**Cmaj7**

That they left this bathroom so unclean

So unlike me

**Em**

I hope I never figure out

Who broke your heart

**Cmaj7**

And if I do, if I do

CHORUS

**G**

I d spend all night losing sleep

**C**

I d spend the night and I d lose my mind

Well I d spend the night and I d lose my mind

**G**

I d spend all night losing sleep

**C**

I d spend the night and I d lose my mind

Well I d spend the night and I d lose my mind

BRIDGE

**Em\*(hold) C(hold)**

**D(strum) Cadd9(strum)**

**D**

Well I hope I never figure out

Who broke your heart

**Cadd9**

And baby if I do

**D**

Well I hope I never figure out

Who broke your heart

**Cadd9**

Baby if I do

CHORUS

**Em\***

Well I d spend all night losing sleep

**C**

I d spend the night and I d lose my mind  
If I spend the night then I lose my mind

**Em**

**G**

Spend all night losing sleep

**Cadd9**

I d spend the night and I d lose my mind  
If I spend the night then I lose my mind

**G**

Spend all night losing sleep

**Cadd9**

I d spend the night and I d lose my mind  
If I spend the night then I lose my mind
